MICHELIN
A BETTER WAY FORWARD

Their trust every day = Our support every day

Trust is built through listening and sharing. At MK Partnair, we have summed up this concept in this simple equation. We are proud to support our partners in their projects in a sustainable and comprehensive way.

Proximity

Giving the means to develop the potential of our territories requires proximity between local actors and a presence in the field. Through our commitment to local centres of attraction, we take a close look at the challenges of mobility for the economic players of today and tomorrow.

After Paris, coming back to Clermont-Ferrand was a natural choice. In the end, we wanted to be as close as possible to our partners, our values and this beautiful region. In the pursuit of our development, we came to Lyon shortly afterwards.

Auvergne Rhône-Alpes region is an economic lung. Supporting, promoting, enhancing and connecting the players in our region is essential for us.

Ahmed —MK Partnair's founder — from de Clermont-Fd
